“...We entrust to you all those who have made this journey, enduring fear, uncertainty and humiliation, in order to reach a place of safety and hope. Just as you never abandoned your Son as he was brought to a safe place by Mary and Joseph, so now be close to these, your sons and daughters, through our tenderness and protection...May we share with them the blessings we have received from your hand, and recognize that together, as one human family, we are all migrants, journeying in hope to you, our true home, where every tear will be wiped away, where we will be at peace and safe in your embrace.”
