Namasté Alzheimer Center

Mission Integration and Chaplain posting for Namasté Alzheimer Center

Namasté Alzheimer Center is seeking a FT Director of Mission Integration and Chaplain to provide leadership in integrating mission and core values into every element of operations by working with all employees, especially managers.

In addition, the Director will provide for the spiritual and religious care of residents.

The ideal candidate will have experience in working with persons with dementia; possess skills in adult formation and spiritual care; have at least two units of CPE and be able to support the Catholic identity of Namasté Alzheimer Center.

To learn more about the position or to apply, contact Sr. Nancy Surma, OSF, VP Mission Integration at NancySurma@CatholicHealth.net.

Namasté Alzheimer Center is a residential Alzheimer's care facility that encourages people with Alzheimer's and related disorders to live their lives as independently as possible and reach their fullest potential every day. It is a member organization of CHI Living Communities, a subsidiary of Catholic Health Initiatives (CHI). For more information, see www.HomelsHere.org.
